

Runaway in Trance

I was listening to the ocean
I saw a face in the sand
But when I picked it up
Then it vanished away from my hands, gone

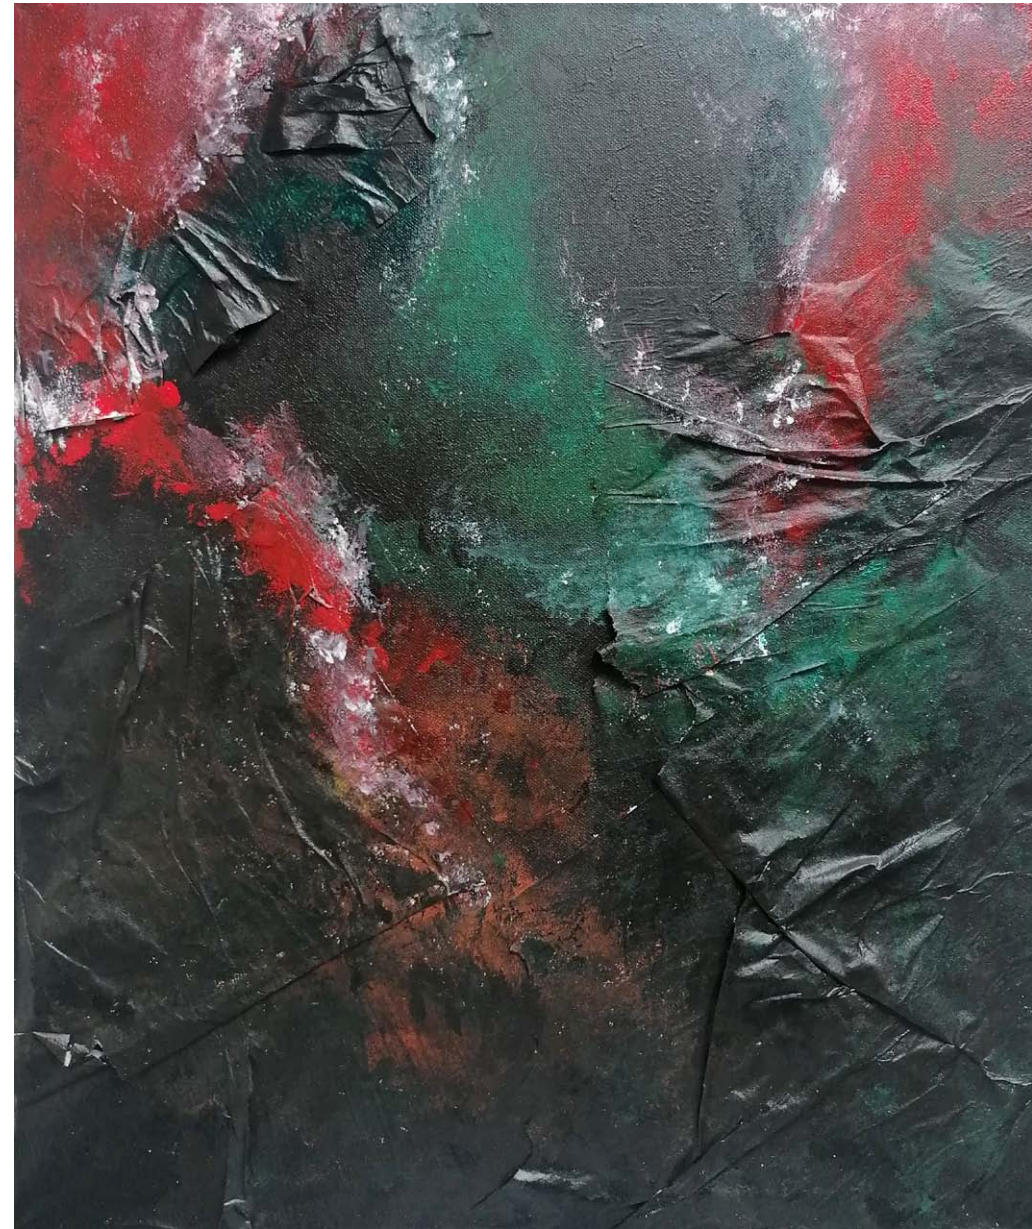

I was painting a picture
The picture was a painting of you
For a moment I thought you were here
But then again, it wasn't true, gone

And I was running far away
Would I run off the world someday?
Nobody knows
I was dancing in the rain
I felt alive and I can't complain

But now take me home
Take me home where I belong
I can't take it anymore

Today

I choose to live in my heart
not in my mind.

I will be grateful
because I am alive.

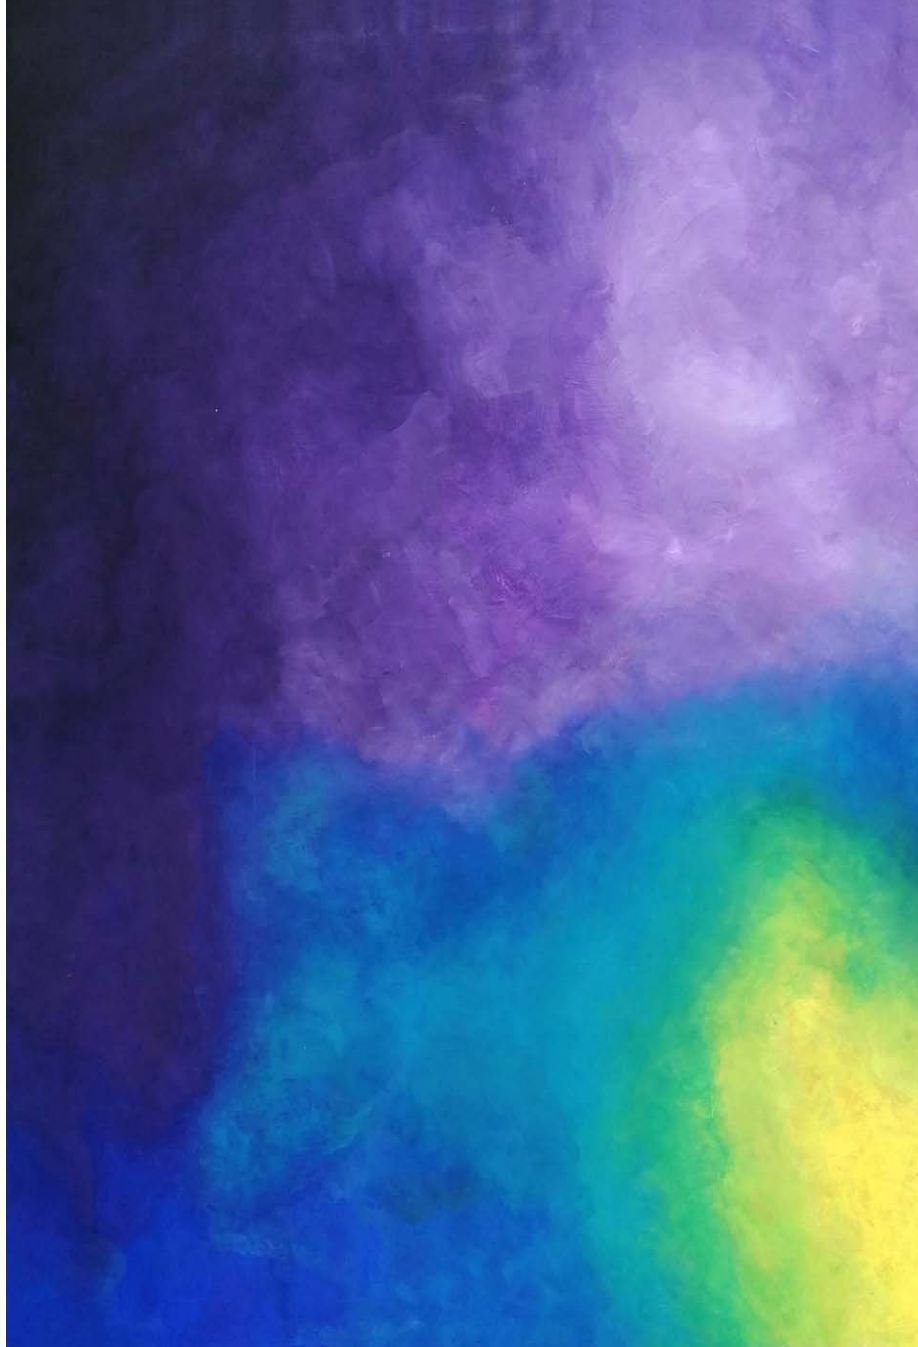

I will not dwell on the past
nor worry what's next.

I will take care of myself
and try my best.

If a moment comes
where I feel weak
I will stop what I am doing
and remember to breathe.

Alpha und Omega

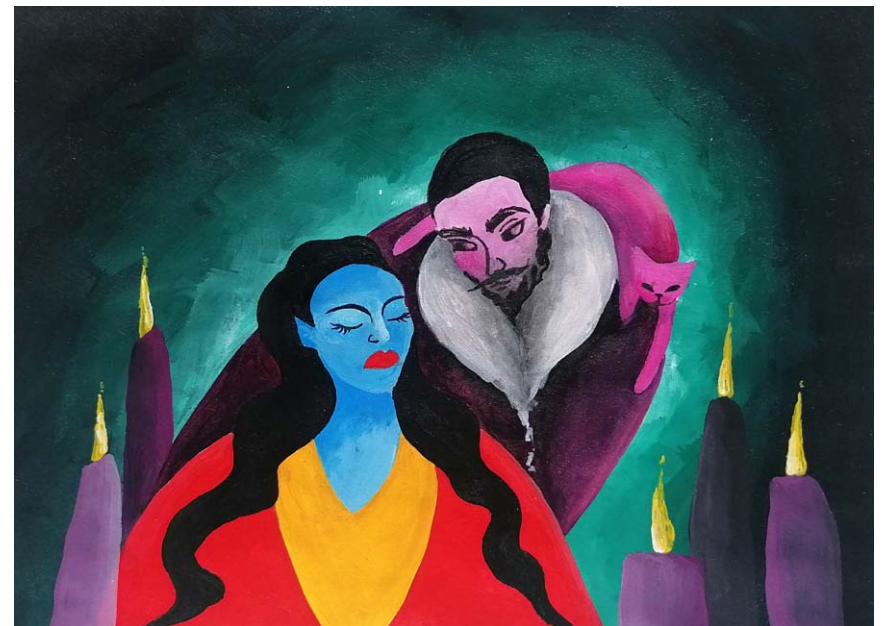

If tomorrow starts without me, and I'm not here to see. If the sun should rise and find your eyes all filled with tears for me.

I thought of all the yesterdays, the good ones and the bad. I thought of all the love we shared, and all the fun we had.

If I could relive yesterday, just even for a while, I'd say goodbye and kiss you and maybe see you smile.

So when tomorrow starts without me don't think we're far apart. For every time you think of me, I'm right here in your heart.

Open your eyes and see
The way our horizons meet
And all of the lights will lead
Into the night with me
And all of these stars will guide us
Home.
